Cabinet approves Caste enumeration in upcoming Census

New Delhi, Apr. 30 (PIB) Cabinet Committee on Political Affairs chaired by the Prime Minister, Shri Narendra Modi has decided to include caste enumeration in the upcoming census. This demonstrates that the present Government is committed to the holistic interests and values of the nation and society.

castes, these surveys have varied in transparency and intent, with some conducted purely from a political angle, creating doubts in society. Considering all these circumstances, and to ensure that our social fabric does not come under political pressure, it has been decided that caste enumeration should be

included in the main census instead of being conducted as a separate survey. This will ensure that society becomes stronger economically and socially, and the country's progress continues without hindrance. It is noteworthy that when a provision of 10 percent reservation was made for the economically

weaker sections of society, it did not create tension in any section of society. Caste was excluded from all census operations conducted since independence. In 2010, then Prime Minister Late Dr. Manmohan Singh assured the Lok Sabha that the matter of caste census would be considered in the

Cabinet. A Group of Ministers was formed to deliberate on this subject, and most political parties recommended conducting a caste census. Despite this, the previous Government opted for a survey instead of a caste census, known as the Socio-Economic and Caste Census (SECC).

As per Article 246 of the Constitution of India, Census is a union subject listed at 69 in the Union List in the Seventh Schedule. While some States have conducted surveys to enumerate

GREETINGS

On the occasion of the Foundation Day of Maharashtra and Gujarat, I extend my warmest greetings to the people of these two great States, especially those residing in these Islands.

As we mark the 65th anniversary of their formation on May 1, 1960, we celebrate not just a historical milestone, but the inspiring journey of resilience, progress and cultural richness that these States represent.

Maharashtra, with its proud legacy rooted in the valor of Chhatrapati Shivaji Maharaj, stands today as a beacon of industrial strength, artistic brilliance and progressive thought. From the dynamic energy of Mumbai to the cultural depth of Vidarbha, the fertile expanses of Marathwada to the scenic beauty of the Konkan coast- Maharashtra exemplifies unity in diversity.

Gujarat, the birthplace of visionaries like Mahatma Gandhi and Sardar Vallabhbhai Patel, has emerged as a model of development and entrepreneurship. Its vibrant industries, thriving ports and rich cultural heritage reflect the spirit of innovation and determination that defines its people.

On this significant day, we remember and honour the countless freedom fighters, social reformers and visionaries whose sacrifices and foresight laid the foundation for these progressive States. Let us also reaffirm our commitment to the values of social justice, equality and sustainable development-principles that will continue to shape our collective future.

These celebrations are a powerful reminder of the spirit of Ek Bharat, Shreshtha Bharat- how regional excellence strengthens our national fabric.

Once again, I convey my heartfelt wishes to the people of Maharashtra and Gujarat. May this Foundation Day inspire pride, unity and a renewed dedication to building a Viksit Bharat- a developed and inclusive India for all.
