ISRO launches its Earth Observation Satellite RISAT-2BR1

The Cabinet today gave its approval to the Aircraft (Amendment) Bill, 2019 to amend the Aircraft Act of 1934. The bill will now be introduced in the Parliament. The bill enhances the maximum limit of fine from existing 10 lacs rupees to one crore rupees. It also amends the scope of the existing act to include regular and cargo operations. The act will also complete the requirements of the UT dealing in pre-packed commodities, to declare all the mandated declaration, as prescribed under the Legal Metrology (Packaged Commodities) Rules, 2011 by selling the packed commodities without complete declaration. The Civil Supplies & Consumer Affairs Department has advised all the traders and vendors of this UT dealing in pre-packed commodities, to declare all the mandated declaration, as prescribed under the Legal Metrology (Packaged Commodities) Rules, 2011 before selling the packed commodities. The law, however, does not permit to refrain from any such unlawful trade practices so that any of the Rules of Law is not violated. Further, the traders have also been advised not to sell any essential commodity in a packed form without obtaining Packaging Licence.
