India is rapidly making its mark in AI and world is praising our progress in the sector: PM

PM praises Ms. Anuradha Rao - 'Deer Woman' of A&N Islands for dedicating herself to animal welfare at an early age

New Delhi, Feb. 23

Prime Minister, Shri Narendra Modi today stated that India is rapidly carving out a robust identity in the field of Artificial Intelligence. Addressing the nation in his Mann Ki Baat programme on Akashvani, Shri Modi said the people of India are second to none in adopting and trying new technologies. He was pleased to note that the world praised India's progress in this sector during his recent visit to Paris for the AI Action Summit. He stated that people of the country are using AI for different tasks. Prime Minister highlighted that the increasing participation of youth is leading to new revolutions in various sectors, be it the Space or AI. He expressed pride that the country witnessed the launch of ISRO's 100<sup>th</sup> rocket last month. He said this reflects the nation's resolve to touch new heights in Space Science every day. He stated that the ambit of ISRO's successes has been quite expansive, be it the manufacture of launch

vehicles, Chandrayaan, Mangalyaan, Aditya L-1 or the unprecedented mission of sending 104 satellites into space at one go with a single rocket. He underlined that over the last ten years alone, around 460 satellites have been launched, including satellites of other countries.

Prime Minister also noted with satisfaction that the participation of women is constantly on the rise among the team of Space Scientists. He also expressed happiness that the Space Sector has become a favourite of the youth. He observed that there are hundreds of start-ups and private sector Space companies now. Shri Modi added that the space sector is turning out to be an excellent option for the youth who are in search of something thrilling and exciting.

Prime Minister called for the reduction of edible oil consumption by ten percent. He advised listeners to use 10 percent less oil every month. Prime Minister stressed that excessive use of oil in food can

cause diseases like heart disease, diabetes and hypertension. He further stated that by making small changes in food habits, people can be fit and disease-free. Shri Modi said he

will challenge ten people to reduce oil in their food by 10 percent. He added that he will also urge them to pass on the same challenge to 10 other people. He expressed

confidence that this will help in fighting obesity.

Shri Modi mentioned that the population of tigers has risen continuously in Karnataka's BRT Tiger Reserve and gave the credit for this to the Soliga tribe, who worship the tiger. He added that there is almost no man-animal conflict in this area due to the Soliga tribe. He also praised the contribution of people in Gujarat in the protection and conservation of Asiatic Lions in Gir. Prime Minister highlighted that on account of these efforts, the population of tigers, leopards, Asiatic Lions, Rhinos and Barasingha has increased rapidly in the last few years.

Prime Minister remarked that every part of India is not only sensitive towards nature, but also committed to wildlife protection. Shri Modi spoke about Ms. Anuradha Rao who is known as Deer Woman in Andaman and Nicobar Islands. Anuradha Rao dedicated herself to animal welfare at an early age,

and she has made the protection of deer and peacocks her mission in the past three decades. World Wildlife Day will be celebrated in the beginning of next month. Prime Minister urged everyone to encourage people associated with wildlife protection. He also expressed satisfaction at the many start-ups that have emerged in this field.

National Science Day will be celebrated on the 28<sup>th</sup> of this month. Prime Minister urged listeners to observe 'One Day as a Scientist' and visit a research lab, planetarium or a Space Centre. He said, this will enhance their curiosity about Science.

International Women's Day will be observed on the 8<sup>th</sup> of March. Shri Modi said this is a special occasion to salute Nari Shakti. He quoted Devi Mahatmya, saying all the Vidyas are the expressions of the Goddess. He said that respect for daughters is paramount in
