A&N Administration draws up ambitious plan for investment of Rs 33,500 crore to develop Islands

Port Blair, Aug 26

The Hon’ble Prime Minister, Shri Narendra Modi in his Independence Day speech 2019 has highlighted that Rs 100 lakh crores would be invested in infrastructure projects over the next five years.

The Andaman and Nicobar Administration has drawn up an ambitious plan to develop the Islands with an investment of Rs 33,500 crores in infrastructure projects over the next five years which will change the face of the Island territory and improve ease of living significantly in the Islands.

An amount to the tune of Rs 6600 crores will be invested to improve air connectivity in the Islands. It is proposed to construct two Greenfield Airports, one at Port Blair and the other at Campbell Bay. The Runway at Shibpur Airport is being extended for operating wide bodied aircrafts to Diglipur and work on the New Terminal Building at VSI Airport Port Blair is progressing fast and will be completed by mid-2021. Apart from this, water aerodrome will be set up at different tourist destinations in the Islands.

The Administration has also submitted proposal for augmentation of Helicopter fleet with higher seating capacity to the Government of India. Seaplanes will also be acquired to facilitate better connectivity. The UT Administration has also planned to develop shipping infrastructure with acquisition of new vessels including solar power boats to the Government of India. An amount of Rs 3678 crores will be invested in this sector.

Apart from upgradation of NH4 and construction of two bridges over Middle Strait and Humphrey Strait progressing at an estimated cost of Rs 1629 crores, the Administration has planned Rs 1481 crores investment in the road sector including construction of flyovers, under passes etc. An estimated amount of Rs 1748 crores will be pumped in shipping sector.

A major investment of Rs 5000 crores has been provided for establishing Transhipment Port (1st Phase) at South Bay in Great Nicobar. The Island is being developed as a Maritime Hub for the entire North Eastern Region.

The A&N Administration is focusing on development of various infrastructural projects as well as implementing public welfare oriented programmes in far flung areas and construction of two bridges over Middle Strait and Humphrey Strait.

Apart from this, the Administration has also submitted proposal for augmenting the capacity of submarine pipeline for Rutland water supply projects has been awarded at an estimated cost of Rs 60.21 Cr. and is expected to be completed by June, 2021.

Area based feasibility report for Sewage disposal in these Islands has been prepared under Smart City Mission. An investment to the tune of Rs. 405 crores will be made on sewage system in Port Blair Municipal area.

An investment of Rs. 968 crores has been planned for Water Supply augmentation and distribution, which includes development of Sweet Water Lake at Flat Bay and barrage development. Laying of submarine pipeline for Rutland water supply projects has been awarded at an estimated cost of Rs 60.21 Cr. and is expected to be completed by June, 2021.

An amount of Rs. 1433 crores will be invested in shipping sector.

Recommendations of AYUSH for positive cases of COVID-19:

- **Food** should be freshly cooked, warm, easily digestible, and in suitable quantity as per individual needs. Spices like Haldi (Turmeric), Jeera (Cumin), Dhaniya (coriander), Lahsun (Garlic), Adrak (Ginger), Pippali (Pepper) are recommended in cooking. Warm soups of lentils /pulses / meat can be taken as per preference. Avoid overeating.

- **Use** warm water for drinking (in optimal quantity at suitable intervals).

- **Avoid** foods/drinks like curd, banana, cold drinks, ice-cream, refrigerated items; and cold air which may trigger respiratory symptoms.

- **AYUSH Kaadha**: Drink 150 ml of Herbal Tea /decoction [made by boiling Tulsi (basil), Dalchini (Cinnamon), Kalimirch, Shunthi (Ginger), Munakka (Raisin) in water] once or twice a day. Jaggery and fresh lemon juice may be added for taste.

- **PratimaarshyaNasya**: Apply sesame oil /Coconut oil in both nostrils (Twice a day).

- **Oil pooling (Gandusha)**: Gargle with warm water twice a day (a tea-spoon full of Sesame oil, half tea spoon Haldi and pinch of common salt may be added to water).

- **Steam Inhalation**: Thrice a day (Mint leaves or pinch of Ajwain (Carum seeds) may be added to the water in case of congestion)

- Half tea spoon of Clove powder or Licorice powder may be used once or twice a day along with honey for dry cough /sore throat.

- **Use** warm water for bathing; and dry your hair thoroughly after head-bath.

- **Stay calm and stress-free** with daily practice of Yogasana, Pranayama, Meditation.

- **Most important, think positive. You will overcome this problem.**

- **Consult** concerned doctors at given numbers if symptoms persist/health condition worsens.
