Govt. working with RBI to restructure loans due to impact of Coronavirus: FM

New Delhi, Aug 1

Union Finance Minister, Ms. Nirmala Sitharaman, said in her address, the government is working with RBI to restructure loans due to the impact of the COVID-19. The Finance Minister was addressing the National External Committee Meeting (NECM) of the Federation of Indian Chambers of Commerce and Industry (FICCI) on Friday.

Ms. Sitharaman asserted that banks cannot refuse to credit MSMEs covered under the emergency credit facility and any terms must be brought to the notice. She was responding to the concerns raised by the FICCI members about the difficulties faced by the MSMEs in taking loans under the Emergency Credit Guarantee Scheme.

On the suggestion of creating an institution to handle the emerging credit requirements of the industry, the Finance Minister informed that the government is working on the demand of the hospitality sector for extension of moratorium or restructuring of the loans. (Source: india.gov.in)

Govt. extends ban on international flights till August 31

New Delhi, Aug 1

The Government on Tuesday extended the ban on international flights till August 31. The ban is aligned with the pandemic situation, Transport Bubale Minister, Mr. Hardeep Singh Puri said. The ban is in line with the DGCA's initiative to allow flights between the two countries in consultation with the DGCA.

International flights will be allowed before the national lockdown is announced. As part of allowing gradual movement of flights, the ban on international flights till 31st August was passed by the cabinet on Tuesday.
