**Prime Minister, Shri Narendra Modi** launched three high-throughput COVID testing facilities at Kolkata, Mumbai and Noida via video conferencing.

India now has more than 11,000 COVID facilities and more than 11 lakh isolation beds: PM

New Delhi, July 27 (PIB)

Prime Minister, Shri Narendra Modi launched three high-throughput COVID testing facilities at Kolkata, Mumbai and Noida via video conferencing today.

These facilities are located in Kolkata, Mumbai and Noida and are operational. A few more facilities are being opened in other cities across the country. These facilities will be of immense help in containing the COVID-19 pandemic.

Several states have expressed interest in joining hands with the Government to set up such facilities on a larger scale.

The first batch of five Rafale jets take off from France and will arrive in India on Wednesday. The fighter jets will be inducted and join the Indian Air Force (IAF) on July 29 at 9 am in Honey's Amurda on July 29th.

The fighter jets, built by France-based Dassault, took off from the Merignac Southern France's Bordeaux.

The five aircraft will be the first tranche of 36 planes bought by France from India. The aircraft is expected to be delivered at a distance of nearly 7,000 km.

Govt. bans 47 more Chinese clone Apps in India

New Delhi, July 27

Government has banned 47 more Chinese apps. Earlier, it had banned 59 China-based apps on the grounds of national security and data sovereignty.

Oficial sources said these 47 apps are clones of the previously banned Chinese apps.

Last month, the Government had banned Chinese apps including TikTok.

The Administration is making all efforts to prevent the spread of COVID in the Islands, however, we must continue to be vigilant as the virus is still present and public to fight against this virus.

The Administration is also successfully fighting the virus effectively. People should avoid travelling in and outside the Islands, to avoid the spread of the virus.

The government is also providing essential supplies and medical requirements. However, people should ensure that their children, especially below the age of 10, and pregnant women with comorbidity, i.e., persons who are having chronic medical conditions such as diabetes, kidney disease, coronary disease, kidney lung disease, etc., should not come out of home from home except for medical requirements as virus proving fatal to the persons with comorbidity, a press release from the Principal Secretary (Health), said.

Govt. retires employees during COVID pandemic will be receiving ‘provisional’ pension till their regular PPO is issued: Minister

New Delhi, July 27 (PIB)

Government employees retiring during COVID pandemic will be receiving ‘provisional’ pension till their regular Provident Fund Order (PPO) is issued. The Government has issued an order to this effect.

Union Minister of State (Independent Charge) for Development of North Eastern Region (DoNER), Dr. Jitendra Singh, today announced that the Department of Public Grievances, Personnel, Public Grievances, Pension, Atomic Energy and Space, Dr. Jitendra Singh said that after the Modi Government took over, the Department of Pensions had modernized and equipped itself to deliver the PPO to the concerned employee on the day of his or her superannuation.

Besides this, in the last few years, taking out from Prime Minister, Shri Narendra Modi himself’s emphasis on digitalization, the Department of Pension also launched a website wherein all the PPOs can be accessed by any beneficiaries and all the offices have been equipped with the state-of-the-art testing facilities will also be assisting in taking care of the health needs of the people by conducting regular PPS and more than 11 lakh isolation beds.

While the country had only one COVID testing centre in January, there are almost 15,000 such centres at present, more than 5 lakh tests are being conducted in the country daily.

Ferry of Rafale

First five IAF Rafales take off from France: likely to arrive at Ambala on July 29

New Delhi, July 27

The first batch of five Rafale jets take off from France and will arrive in India on Wednesday. The fighter jets will be inducted and join the Indian Air Force (IAF) on July 29 at 9 am in Honey’s Amurda on July 29th.

The fighter jets, built by France-based Dassault, took off from the Merignac Southern France’s Bordeaux. The five aircraft will be the first tranche of 36 planes bought by France from India. The aircraft is expected to be delivered at a distance of nearly 7,000 km.

Lighted up brightly off Port Blair, Ms. Hemalata of the Indian Air Force Centre, and Mr. K.K. Mohanty, IAF Commander, lit a candle in remembrance of all the soldiers who have sacrificed their lives for the country.

The Administration has launched multifarious swift and swift measures to contain the spread of COVID in the Islands, and refrain from venturing to crowded public places without safety norms.

As a matter of fact, the cooperation of the local population is vital to prevent the transmission of the virus. It is observed that many people are still roaming around and not wearing masks, which may prove fatal to them.

The general public have been urged to observe all safety measures as prescribed by the Government of India and local Administration until a vaccine is developed.

Wearing the mask in public places and observing respiratory etiquette including using hand sanitizers, is the best way to keep the virus away.

First death due to COVID-19 reported in Islands: patient was co-morbid

On receipt of information on July 27 by the Administration, being organized at Hotel TSONC onboard MS. PMO, Personnel, Public Grievances, Pension, Atomic Energy and Space, Dr. Jitendra Singh said that after the Modi Government took over, the Department of Pensions had modernized and equipped itself to deliver the PPO to the concerned employee on the day of his or her superannuation.

Besides this, in the last few years, taking out from Prime Minister, Shri Narendra Modi himself’s emphasis on digitalization, the Department of Pension also launched a website wherein all the PPOs can be accessed by any beneficiaries and all the offices have been equipped with the state-of-the-art testing facilities will also be assisting in taking care of the health needs of the people by conducting regular PPS and more than 11 lakh isolation beds.

While the country had only one COVID testing centre in January, there are almost 15,000 such centres at present, more than 5 lakh tests are being conducted in the country daily.

Get the person to talk about his/her feelings with loved ones and enjoy conversations unrelated to COVID-19 outbreak. PM launches High Throughput COVID testing facilities ... which are operating more than 250 beds each. In June, PM had said that the country has become COVID-19 free and the goal is to achieve complete freedom from coronavirus. The government has decided to set up a single window system to ensure clearances and approvals of industrial projects. Talking to the sovereign wealth funds, the foreign pension fund, the exchange rate and the case of doing business and investments in infrastructure sector, PM said, “To redress the situation and Industry Minister, Shri Piyush Goyal said, that would be a genuine single window and the conception of the new State Governments and Central Governments is being taken to board here for some decisions. The Minister also said that the Government is working on creating a land bank, for which States have already begun efforts to identify land banks and also to localize the land banks, without the issue of further easing of regulatory approvals for industry and investment. The government has also referred to the recently enhanced State Governments’ schemes and projects.

Govt. employees retiring during COVID-19... However, because of the disruption in the official work due to COVID-19 pandemic and lockdown, Dr. K. Sudhindra Narayana, some of the employees who had retired during this period may not have been provided with PPO. But, as an evidence of the present Government’s sensitivity towards the pensioners and the senior citizens, a decision was taken that in order to avoid a delay in the start of regular pension or the pay commission dates, the pensioners who have satisfied the conditions related to the payable period (Pension Provisional) and Provisional Gratuity are entitled to get benefits from the Order (Pension Order). As per the Order Manual, the pension was payable on and from the same date. The pensioners retired in the month of March may be paid at a reduced rate, in a manner that the full benefits are paid to the pensioners in due course.

Indian Coast Guard evacuates 24... meantime, the medical team at MBB provided regular medical advice to the mariner and regular update of the condition of the patient was monitored. ECS CG-407, with Coast Guard Air Station, Port Blair, successfully landed onboard, was immediately deployed from Campbell Bay for undertaking medical evacuation of the crew. Braving rough seas and heavy fog, the ship successfully evacuated the patient at sea and reached Campbell Bay at 0900 hrs.

Social Welfare Deptt. operates One Stop... (Contd. from page 1) According to the Act, the Government of India had set up a single window system to be set up an Empowered Group of Secretaries led by the Chief Economic Adviser to take decisions on various government schemes and projects.

Fisheries initiates actions for strict... Department of Fisheries is going to set up a single window system to ensure clearances and approvals of industrial projects. Talking to the sovereign wealth funds, the foreign pension fund, the exchange rate and the case of doing business and investments in infrastructure sector, PM said, “To redress the situation and Industry Minister, Shri Piyush Goyal said, that would be a genuine single window and the conception of the new State Governments and Central Governments is being taken to board here for some decisions. **Classifieds**

People of all ages can be infected with the coronavirus (COVID-19) hence everyone should maintain hygiene and social distancing by not going out of house unnecessarily, not undertaking non-essential travel and keeping away from people who are sick.

Elderly people and people with pre-existing medical conditions (such as asthma, diabetes, heart disease ☼) are more vulnerable to the virus infection. So to reduce their risk of getting sick, they should -

Stay at home.  
Wash their hands often.  
Take everyday precautions to keep space between themselves and others (stay 6 feet away, which is about two arms lengths) - especially keep away from people who are sick.
