Port Blair, July 28

Ever since the outbreak of the COVID-19 in the Islands, the Andaman and Nicobar Administration has taken various measures to contain the spread of Corona Virus Disease (COVID-19). As per UT is conducting every 24 hours 56368 tests per million, which is highest in the country. The fatality rate is only 0.3% which is substantially lower than the national average. Despite the fact that the Administration continues to maintain strict vigil towards containing the virus, the number of positive cases has gone up substantially in the past two weeks.

Considering the rise in the number of COVID-19 cases, it became imperative for the A&N Administration to impose additional restrictions in order to control further spread of the virus across the Islands.

Accordingly, the Chief Secretary, A&N Administration, vide an order dated 20th July, 2020 has imposed additional steps for the containment of the disease in A&N Islands.

As per the order, complete lockdown will be imposed on weekends i.e. Saturday and Sunday till the situation improves in the Islands. All the Government/UT/Local public transports will remain closed during the lockdown period. In addition to this, all mainland and Inter-Island passenger/travellers will be home quarantined for 07 days from the day they travels in any aspect of Islands or if they are tested negative, whichever is earlier. Passengers who are not residents of Port Blair/Singgadi/Jhakial will have to pay for the Institutional quarantine.

The Government Servants returning from mainland will work from home and are tested negative for Corona. For the rate for RT-PCR test has been fixed at Rs.2000/- per test in line with the rate fixed by the Ministry. Passengers arriving at airport from mainland and despatched to tribal areas will be tested at no cost.

Other directives include no convoy will pass through Jarawa reserve till further orders and the Shipping Department has been directed to increase the frequency of ships/boats to facilitate smooth transportation for the people of North and Middle Andaman. The Nodal Officer for COVID-19 has taken decision for the COVID-19 hotspot states under Ayushman Bharat Pradhan Mantri - Jan Arogya Yojana (AMJAY) for COVID-19 positive cases has gone up substantially towards containing the virus, the number of positive cases has gone up substantially towards containing the virus, the number of positive cases has gone up substantially.

Further, to achieve this objective, A&N Administration has imposed additional steps for the containment of the disease in A&N Islands.
